Dear Marco,

The two weeks I spent in Hamburg were very nice and interesting.

Everything has run really well and smoothly.

The always helpful lectures given by Da-Pa's Lawyers, the external visits and trips were really fantastic and interesting.

The way we were treated by the Da-Pa's lawyers was amazing and the care from all Da-Pa's team with the scholars, helping us in all we needed, was great as well. The after hours were very nice, each day visiting different restaurants and bars in Hamburg. Speaking about Hamburg, the city is very beautiful and the citizens quite friendly.

This way, for me, the course and the experience were spectacular and unforgettable and I really would like to thank you and all Da-Pa's Team for the opportunity and for the lovely way that you received me.

Thank you very much!

Fernando Clemente
